DR. BARBARA BOLLIER

Barbara is a strong advocate for public schools, access to affordable healthcare and balanced budgets. She's running for an open U.S. Senate seat in Kansas. When elected this November, Barbara will be the first woman physician to ever serve in the United States Senate.

CAL CUNNINGHAM

Cal Cunningham is a decorated veteran of Afghanistan and Iraq and a former North Carolina State Senator. Cal isn't taking a dime of corporate PAC money and is running to expand healthcare, address climate change, and fight corruption.

DR. AL GROSS

Al Gross is an orthopedic surgeon, commercial fisherman, and lifelong Alaskan with deep ties to the state. After watching Alaska's economy and healthcare system crumble over the last decade, Al decided to leave his orthopedic practice and devote himself to improving the broken healthcare system in Alaska and nationally because right now, the Senate needs a doctor.

AMY MCGRATH

Amy McGrath, a retired US Marine Corps Lieutenant Colonel, was the first woman in the Marine Corps to fly a combat mission in an F/A-18. She was raised in Kentucky and is running for the US Senate against Mitch McConnell to fix Washington and give Kentuckians back their voice.
