

# Understanding Vaccines from Chickenpox to Cancer: Building Trust Through Conversation

A panel discussion and educational presentation on how vaccines work \*with a special focus on how to talk to vaccine-hesitant family members and friends.

Saturday, June 28th  
11 AM–12 pm on Zoom

Join our panel discussion to get your questions answered about vaccines and how to talk about them!

**Dr. Neil Shah, MD, PhD:**  
Hematologist and oncologist at UCSF

**Dr. Dawnell Moody, DO, MPH:**  
Pediatrician based in the Tri-Valley area

**Dr. Shelley Facente, PhD, MPH:**  
Adjunct assistant professor at the Berkeley School of Public Health
